Important Notes for Residents

- Aterisk * denotes a NON-REFUNDABLE fee. This is not negotiable.
- Payment of your accommodation fees:
 - Resident should be always paid to one month in advance
 - Subsequent payments may be paid monthly
 - Residents may choose to pay for the entire contract length up front with a discounted rate
 - Residents will be issued a whole of stay invoice reduced when payments are made

Lock Out After Hours

It is important that you always carry your key card with you when you are absent from your room for any reason. If you are locked out after normal office hours, it may not be possible for a member of the staff team to come to site and open your door for you. Residents should be mindful of this, and ensure that they have their key, even if you are visiting a friend down the hall, or simply going to the bathroom.

Cleaning Charges

These rates have been calculated on the advertised hourly cost for general domestic cleaning in New South Wales.

Damage Repair Charges

These rates have been calculated on the advertised hourly cost for maintenance work in New South Wales.

Please note that \$65-00 per hour plus material will apply to each trades/repair person required for the job. For example, if the repair requires two people to work on it, the rate will apply to both workers. Should an external repair service be required (e.g. a locksmith, a glazier for a broken window) the invoice costs for the repair will be added to the residents accommodation account and a copy of the invoice given to the resident.

Outstanding Fees

Should a resident depart WSA without paying fees, or has an outstanding balance owing, they will be given a period of 10 business days to reconcile the outstanding balance. After this time has elapsed, the outstanding account will be forwarded to WSA's preferred Debts Collection Service, and fees for this service will be added to the outstanding amount owed by the resident.
