- Payment of your accommodation fees:
 - Non-Refundable Pre payment to be paid when contract is received
 - One (1) months' bond payable in advance on or before arrival
 - First fortnightly payment to be made on or before arrival
 - Subsequent payments must always remain in advance.
 - Residents may choose to pay a lump sum amount with a discount (payment of 3 months or more attract a 5% discount)
 - Residents will be issued a whole of stay invoice reduced when payments are made

Lock Out After Hours

- It is important that you always carry your key card with you when you are absent from your room for any reason. If you are locked out after normal office hours, it may not be possible for a member of the staff team to come to site and open your door for you. Residents should be mindful of this, and ensure that they have their key, even if you are visiting a friend down the hall, or simply going to the bathroom. See resident guidelines for lock out procedure.

Damage Repair Charges

- These rates have been calculated on the advertised hourly cost for maintenance work in New South Wales.
- Please note that \$65-00 per hour plus material will apply to each trades/repair person required for the job. For example, if the repair requires two people to work on it, the rate will apply to both workers. Should an external repair service be required (e.g. a locksmith, a glazier for a broken window) the invoice costs for the repair will be added to the resident's accommodation account and a copy of the invoice given to the resident
