Cycling Guide Legend

Shared Paths
 Off road paths available for use by pedestrians and cyclists. Cyclist must give way to pedestrians on these paths.

On Road Bicycle Facilities
 On road routes marked with bicycle logos either on the road shoulder or within a bicycle lane.

Bicycle Routes
 Unmarked routes that connect key locations to existing shared paths or marked on road bicycle facilities. Riders will need to mix with traffic on these routes and may encounter steep sections of road.

Bicycle Facilities on High Speed Roads
 Marked facilities in shoulder lanes on the Northern Distributor and the F6 Freeway. Suitable only for experienced riders.

Bike Locker Locations
 Some train stations have bicycle lockers for hire to keep your bicycle and accessories safe from wet weather and theft.

NO CYCLING ON BRIDGE - CYCLISTS DISMOUNT AND USE FOOTPATH
